As a school, we have introduced weekly home learning challenges. This term we are setting a selection of home learning activities for you to complete. You can pick any one activity each week and you can do any of the activities more than once if you wish. Home learning books will be sent home each Friday and are to be returned the following Thursday to allow us time to share our work. We hope you enjoy selecting from the range of activities above 😊 We have left room for a comment from an adult at home too to let us know how you got on.
