

Home Learning Challenges Term ½ Year 1 – Holly & Willow Class

| | | | |
|--|--|--|--|
| Find 10 facts out about explorers | Play Hit the Button for 10 minutes. Can you improve your score? | Speed write your phonics sounds | Go for walk. What plants, trees and animals do you see? Draw a picture or take photos |
| Make a rocket – do a photo or stick a photo in your books! | Follow a recipe and make a cake 😊 | Practise your number bonds up to 10. | Write a diary of what you do over a weekend |
| Research different planets | Visit the library and find a book about space 😊 What facts can you find. | Choose an animal, draw it as a baby and an adult. Can you say what has changed | Go on a shape hunt! What shapes can you see? |
| Draw and label a picture of the solar system | Play a game on phonics play 😊 | Play a board game with your family | Be a number explorer! How many different places can you go to find numbers? Count and write numbers to 30. |

As a school, we have introduced weekly home learning challenges. This term we are setting a selection of home learning activities for you to complete. You can pick any one activity each week and you can do any of the activities more than once if you wish. Home Learning books will be sent home each Friday and are to be returned the following Thursday to allow us time to share our work.

We hope you enjoy selecting from the range of activities above 😊
